RGB R 45, G 29, B 23
CMYK C 59/M 70/Y 72/K 75

The MOAR secondary colour palette is built around Off White and Brown, creating a warm, balanced, and natural foundation for the brand. These tones complement the primary palette while reinforcing MOAR's modern, approachable, and distinctive visual identity.

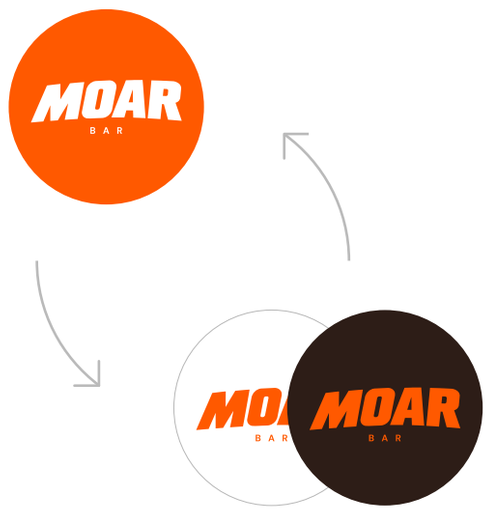

Off White provides a soft, clean base that keeps layouts minimal and inviting, while Brown adds depth, warmth, and a grounded feel. Used across packaging, digital platforms, social media, and brand communications, the secondary palette helps maintain a cohesive and recognisable MOAR identity.

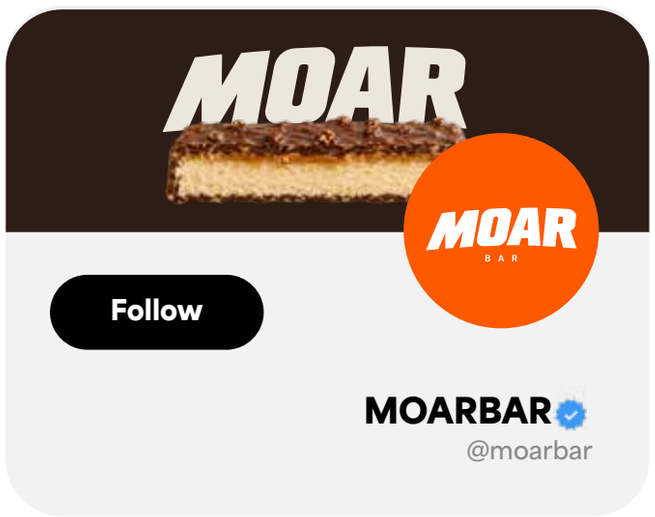

The MOAR logo may be reproduced using the approved primary and secondary colour palette to maintain consistency across packaging, digital platforms, advertising, merchandise, and other brand applications. Each approved variation is designed to ensure clarity, adaptability, and strong brand recognition across different uses, from everyday essentials to modern nutrition products.

Only the logo variations specified within these brand guidelines are permitted. The logo must not be recoloured, distorted, modified, or used in unapproved combinations. Consistent use of the approved MOAR logo helps maintain a clear, distinctive, and recognisable identity across every customer touchpoint.

Social Media

Use the official MOAR profile picture (Primary Logo) and cover banner consistently across all social media platforms to maintain a clear and recognisable brand presence. Consistent use strengthens MOAR's bold, energetic, and approachable identity while improving visibility and recognition across every platform. Always use the approved logo without altering its colours, proportions, or layout.

Maintaining visual consistency across social media creates a unified brand presence, builds trust with customers, and helps MOAR communicate a confident, modern, and distinctive identity across every digital touchpoint.
